

MOBILE VACCINATION CLINIC

COMPREHENSIVE BEHAVIORAL HEALTH CENTER

WEDNESDAY, MAY 26, 2021, 9AM-4PM

505 SOUTH 8TH STREET, EAST SAINT LOUIS, IL 62201

- The Illinois Department of Public Health will be on site to administer the COVID-19 Pfizer vaccine on 05/26/2021 from 9am-4pm.
- Persons who did not receive the first dose on 05/05/2021 are welcome to attend and receive their 1st dose.
- Persons providing verification of receiving 1st dose by 05/05/2021 at another location, can receive their 2nd dose.
- Displaced persons and persons with a mental health diagnosis are encouraged to attend; however, we welcome **ALL** community members to come receive the vaccine.

Pre-Registration is STRONGLY encouraged as available doses may be limited.
